Registration Link:

<https://attendee.gotowebinar.com/register/2871164982797871617>

Presentation Description

Security & compliance best practices are evolving in healthcare. Learn what is currently expected for healthcare organizations in terms of security incident response and HIPAA breach notification. How do your current practices compare to industry standards? At this webinar you will learn:

- a. Keys to effective breach notification
- b. How your staff can help reduce the impact of a breach
- c. Costs of incident response and breach notification

Events – Lunch & Learn Webinars

Wednesday, July 13, 2016, noon – 1:00 PM

Topic/Theme: Enabling Actionable Real-time Data Through Cloud Analytics As A Service

Presented by: Joanne White, CIO
&
Mark Gerschutz, Director of IT
Wood County Hospital

Registration Link:

<https://attendee.gotowebinar.com/register/3509916367497654531>

Presentation Description:

Tapping into clinical data provides an opportunity to gain insight that not only improves patient care and population health but, also impacts reimbursement. In partnership with G2 Works, the cloud analytics as a services company, we're leveraging services enabling operational visibility and impact across departments and services lines.
