

**HIMSS Most Influential Women in Health Information and Technology Awards Nomination Criteria**  
***(All nomination applications MUST be submitted online)***

Any person meeting the eligibility and required criteria may be nominated. See the [Women in Health IT Awards](#) page for additional information. Candidates may also nominate themselves for the award. Only completed online applications submitted by **Tuesday, December 15, 2020** will be considered.

The online application form will require the following information:

- A completed application using the online nomination form;
- A brief biographical sketch that demonstrates why the nominee should be considered for the award (1,500 words or less);
- Resume/curriculum vitae; and
- Two letters of recommendation

**PAGE 1**

**SAVE & LOGOUT**

Important - You may save your application and come back later to complete it. Click on the "Save and Logout" button (located in the top right corner of each page). You can then access your application by clicking on the unique link and entering your login credentials. All required fields are marked with \*
