Stay Healthy & Safe at HIMSS21

- If you are experiencing any flu-like symptoms, stay in your hotel room, and call the hotel medical staff.
- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer (available throughout the HIMSS21 campus).
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Masks are supported throughout the HIMSS21 campus but not required.
- Look for socially distanced seating options in education sessions, networking events and throughout the exhibition areas to meet your comfort level.
- COVID-19 rapid and PCR testing available in the COVID-19 Wellness Center, located in the Sands Expo Center, Level 1, Hall G. Book an appointment through the HIMSS21 Global Conference Mobile App.

Sponsored by: edenhealth

Complimentary face masks, hand sanitizer and device sanitizing stations are available at PPE stations throughout the HIMSS21 Campus.

Sponsored by: ELSEVIER SEALSHIELD™ symplr

Please keep in mind that Las Vegas is a desert and is extremely hot and dry in August. It is important to practice good daily habits:

- Drink plenty of water.
- Take your normal vitamins, supplements and medications.

Conference badges must be worn to all HIMSS21 functions, events and whenever on the HIMSS21 campus.

Exposure Notification App

Use your state's exposure notification app (if available) to receive exposure notifications. All HIMSS21 attendees are encouraged to utilize the Nevada COVID Trace app. Download it here:

Available on the App Store

Digital Health Transformation Series

Join us for an education series on Digital Health Transformation. These 16 tracks explore what goes into creating true transformational change, from understanding the problems your health system is trying to solve to defining how to begin on your digital journey. These speakers provide real examples on how they have enacted change around the world, from North America to Asia. The sessions in this track provide insights on how to define your digital strategy and what you need to do to achieve your goals. Attendees will learn about real outcomes that come from Digital Health Transformation, and how you can leverage these lessons learned to drive value for the populations you serve.
