

Education provided by or approved for continuing education hours by the following organizations may be claimed as “HIMSS approved” continuing education hours upon entry of activities into your transcript for continuing education. Education programs must be on topics that maintain, update, or enhance knowledge and/or skills relevant to the healthcare information and management systems profession. Please refer to the [CAHIMS](#), [CPHIMS](#), or [CPDHTS](#) (as applicable) candidate handbooks and the outline of exam topics for further information.
